

# **SMALL ARE GREAT DECLARATION**

Those who sign below want

## **WANT TO DECLARE THAT**

- The world is multilingual.
- Languages are cultural treasures and these treasures offer diversity and wealth to the countries in the world.
- Languages are essential tools for the identity and development of countries and people.

## **WE WANT TO PROCLAIM**

- The right of minority languages to be also respected and taken in account.
- The right of being helped and protected to normalize our languages above all in the range of education.
- The right of total legality in their area.
- The right of living in our languages in any fields of society.

## **WE COMMIT OURSELVES TO**

- Continue working on the normalization of languages in order to build bridges between us, because the unity of the small ones makes us great.
- Spread this declaration as much as possible.
